Black Sea

yooBulgaria>Obzor comprises 257 apartments, many with sea views and located in four six-storey blocks on the beachfront.

Studios and one-, two- and three-bedroom apartments are available, all built to a contemporary, airy and open-plan design. For those wanting something a little more exclusive, there are also top-floor Premium Apartments. One-bedroom apartments start at 43m² plus spacious terraces, giving owners their private outdoor space.

The scheme will be set in landscaped grounds and built around open courtyards facing the sea while dedicated walkways within the complex lead directly to the beach.

Amenities include four pools, tennis courts and a fitness centre. Provision has been made for restaurants, bars and shops.
